NAKHEEL
DEVELOPMENTS

CHAIRMAN MESSAGE

//

Nakheel Developments has over 15 years of history of real estate development in the UAE and decided to transfer this experience to Egypt in 2017 to develop integrated urban projects with international standards with the latest technology in construction and project management.

Nakheel Developments plans to make its mark as the foremost real estate developer in Egypt and the Middle East by offering smart communities with unprecedented technology in Egypt and an innovative modern design element with the state's vision of launching a generation of new smart cities.

//

“Eng. Emad El-Tabbakh

OVER 15 YEARS EXPERIENCE

Nakheel Developments has gone a long way by becoming one of the Egyptian pioneers in the real estate sector in UAE for over 15 years. We share with pride the success story in establishing, finishing, and managing more than 20 compounds and luxurious projects like (AL Mehery Compound, Al Mansoury Compound, Al Zaabi Compound, Al Mashghoni Compound, Al Marzouky Compound, and Al Ahababy Compound, and more).

Nakheel Developments has started with Global Property Egyptian in 2008 in Abu Dhabi. Then with expanding ambitious strategy in Egypt we aim to put a mark into the Egyptian Market with many successful projects rolled in like Queens Hospital in Tanta, Trio V in the New Administrative Capital (NAC).

BOARD

MEMBERS

Eng. Emad El Tabakh

FOUNDER & CHAIRMAN

He has worked in the real estate development field in the UAE since 2005 and is the founder and Chairman of Global Property, which was established in 2008 in Abu Dhabi.

Eng. Maged El Tabakh

CO-FOUNDER & GENERAL MANAGER

He has experience over 24 years in the fields of construction, quality control and project management in GL Noble Denton. He took over the engineering consultancy for EPIC in UAE, OOCEP in Oman and ERC in Egypt.

VISION & MISSION

Our Vision is to transfer the Emirati experience to Egypt through establishing various community complexes and innovative multi-use buildings with prodigious designs and prime facilities that surpass the expectations of our customers.

We aim to be the first real estate developer of choice in Egypt and the Middle East by offering sustainable projects based on unmatched quality, excellent services, and fair prices.

A construction crane is silhouetted against a warm, golden sky at dusk. The crane's long jib extends across the frame, and its reflection is clearly visible on a wet, reflective surface in the foreground. The overall mood is industrial and serene.

TRIO V Tower

New Capital

The logo features a stylized gold icon of three vertical bars of varying heights, resembling a 'V' or a modern architectural element. Below the icon, the text 'TRIO V' is written in a large, bold, dark brown sans-serif font, and 'TOWER' is written in a smaller, spaced-out, dark brown sans-serif font below it.

TRIO V TOWER

Our brand name refers to our best advantage, which is our strategic location, revealing «trio» that means three and «V» which referring to views with panoramic trio views overlooking the touristic walkway, the Iconic Tower, and the Central Park of the New Capital.

Trio V tower is crafted along the idyllic location to make your aspirations goals, dream lifestyle come true. We present a vibrant and pulsing business complex with fully integrated services cradled in world-class facilities and amenities.

Trio V tower is your doorway to an unprecedented business model supporting different-sized entities.

New Capital

A smart vision for your smart Move

MASTER PLAN

TRIO V tower was designed with the most profound attention to details to connect people with the building using the smartest solutions coming up over 7000 SQM that is planned to encompass a harmony of different businesses

TRIO V tower consists of a ground floor + 14 storeys, with the ground floor to the fourth storey allocated to commercial units. The rest of the project varies between office space and medical units.

the Tower dedicated two floors expanded on 4000 SQM to support entrepreneurs with malleable workspaces that fit all their needs.

TRIO V tower will embrace Three stunning plazas, one of them is a Sky plaza and entertainment facilities like VR ROOM and 9D cinema.
